

PRAYER MINISTRIES

CHURCH OF GOD OF PROPHECY

"We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ." (1 Thessalonians 1:3 NIV).

NextGen leaders promote a holistic vision for the next generation's spiritual growth from infancy to college. They partner with families and other ministries in the local church to ensure that there is a unified strategy for reaching, developing, and deploying the next generation into the harvest. Our constant prayer support, therefore, adds another layer of defense against Satan's attack on their lives, family, and ministry; increases the effectiveness of their work; and blesses and strengthens the local church.

Prayer Directives

As we join together to strengthen and encourage our NextGen leaders,

- Pray that the Holy Spirit would be poured our daily in the life of each NextGen leader (Ephesians 5:18).
